6- Price quotation format:

The price quotation should be submitted through the format enclosed to the tender document (Annex 2) and wholly completed according to incoterms 2010.

6-1- The price should be in one of following currencies: AED, INR, RMB, EUR

6-2- The FOB price, freight charge and CFR prices should be mentioned separately in the supplier's quotation.

6-3- Bank charges and any other charges outside Iran shall be for the supplier's account.

7- Iran Alloy Steel Company shall be authorized to purchase the goods wholly or separately through one or more company. IASCO shall have right to reject or accept one or all offers.

8- The offers shall be unconditional, without any ambiguity and deletion. The following offers will not be considered:

- A conditional and ambiguity offer,
- An offer by discrepancy with the tender conditions

9- Packing and Marking:

- Packing must ensure full safety of equipment from damage during loading and its transportation by sea or land. Packing in wooden boxes or containers should be suitable for sea worthy.

- Big Bags should be delivered in dual layer quality and without any damage.

- Each package delivered under the Contract shall be marked and such marking shall be legible and in English. Such marking shall indicate the quantity of the goods, the name of Buyer, the

Seller's Sign and Stamp:

gross and net weight of the packages, the name of Seller, and the Request number and date of the production (annex3).

- Besides if required the packing shall comprise special markings including "TOP", "BOTTOM", "DO NOT OVERTURN", "KEEP DRY", "HANDLE WITH CARE", "FRAGILE" etc.
- Seller should check all the containers before loading for damages and must be sure about safe condition. Any damages should be mentioned in the shipping documents to avoid shipping line claims.

10- Inspection:

- The material and packing should be inspected and certified by an International Inspection Company acceptable to buyer, and COI should be issued prior to shipment.

Attention: The Standard No. must be mentioned in Performa Invoice.

COI Certificate must be sent with shipment documents to us.

The costs of any tests to be carried out on the goods by the inspection company shall be borne by the Buyer. The seller shall provide the inspection company with necessary facilities for carrying out the tests.

The costs of re-inspection due to seller's faults are on the seller's account.

The purchaser has right to inspect, test and where necessary reject the goods after the goods arrival in the purchaser's country (IASCO site). The Seller obligations shall in no way be limited or waived by reason of the goods having previously been inspected, tested and passed by the purchaser or its representative in country of origin or prior to shipment of the Goods.

Nothing in Clause (10) shall in any way release the Seller from Any warranty or other obligations under this Contract.

11- Penalty:

11-1- Quality nonconformity:

In the event the delivered goods are not in conformity with the specifications mentioned in this contract and its enclosures, the Buyer has the right to ask the Seller to replace the goods according to the required specifications by taking into account the time declared by the Buyer. In this case,

Seller's Sign and Stamp:

the seller shall be responsible for all the costs related to returning the goods to the Seller's country, insurance, shipment charges and also costs related to re-exporting the goods from the buyer's country to destination. The first delivered goods will be returned after replacing by the new one. In addition to the right for changing the goods, the Buyer shall be entitled to ask the Seller to repair or replace the defected parts. In case that the seller doesn't fulfill his obligations, the buyer shall be entitled to oblige him (the Seller) to perform the obligations (specific performance).

In the case that buyer uses the material because of low stock or urgency, the buyer has the right to action according to penalty clause in attached specification (annex1).

11-2- Delays:

- In the event the Seller fails to deliver the goods subject of the tender within the period stated in Item 4 of the Tender Conditions, the Buyer reserves the right to ask an amount equal to 2% of total price of non-performed undertakes or draw from the Seller's guarantees or claims without need to any judicial authority for each month of delay.
- In above situation, price modification cannot be applied on delayed amount of goods, in the case of price increase. But buyer has the right to apply price decreasing on delayed amount in addition to the delays penalty mentioned above.

12- Good Performance Retention Fee

For the surely of the proper performance of the obligations contained in the subject of the contract, the seller must provide a bank guarantee equal to 10% (ten percent) of total amount of the order value in favor of the third-party company introduced by IASCO.

This bank guarantee shall be released on application by the seller, 3 months after the delivery of full shipment documents related to the same part. It is worth mentioned, releasing of guarantee is subject to fulfilling all contractual obligations concerning each invoice by the seller completely.

13- Shipping Documents:

The seller shall submit the following shipping documents:

Seller's Sign and Stamp:

- 1- Signed Commercial Invoice (2 originals and 3 copies) (need to be signed and stamped by chamber of commerce),
- 2- Unconditional transport document (bill of lading/way bill) in 3 originals and 3 copies,
- 3- Certificate of origin (1 original and 3 copies) (need to be signed and stamped by chamber of commerce),
- 4- Packing list indicating the net and gross weight, cubage, dimension and detail of each packing content (2 originals and 2 copies) (need to be signed and stamped by chamber of commerce),
- 5- Inspection certificate issued by an international inspection company (1 original and 3 copies),
- 6- Certificate of manufacturer showing the conformity of goods with those stipulated in the contract.

Note: For those parts of goods shipped by the container, the packing list for each container shall be submitted separately.

- Partial shipment is allowed.

Note: Transshipment without prior permission of the buyer is not allowed.

- The container detention should be according to official rates of Iran.
